

Gold American Eagle Bullion Coins

Valuable and Collectible

Gold American Eagle Bullion Coins

The Gold American Eagle is the official U.S. gold bullion and a great addition to both numismatic collections and investment portfolios. In fact, rarely does a coin serve both purposes so well. The coin, first minted in 1986, has been popular ever since it was issued.

Because the coin is minted based on demand, some years saw fewer Gold Eagles being produced. For example, in 1999, over 1.5 million 1 oz. Gold American Eagles were minted. On the other hand, only 221,663 of the 1 oz. coins were minted in 1991. What is fascinating for many new collectors is that, although the demand was lower in 1991, the demand for a 1991 Gold American Eagle now tends to be higher than for the years when many more were minted.

The design on the obverse of the coin is a version of the beautiful Augustus Saint-Gaudens Lady Liberty holding her torch of enlightenment high over her head while clutching an olive branch in the other hand. She stands majestically before the rays of a rising sun.

On the reverse is a more modern design, created by Miley Busiek in 1986 specifically for the Gold American Eagle coin. It depicts an American Eagle flying above a nest as a mother eagle and her hatchlings watch from below.

Several different sizes are available, including a 1/10 ounce, a 1/4 ounce, a 1/2 ounce and a 1 ounce coin. By far, the most popular is the 1 oz. coin. Of course, the Gold American Eagle would likely be popular in any size due to its beautiful design and gold content.

UNIVERSAL CUSTOMER PLEDGE

Earning and keeping your business is the number one goal and priority at GMRgold.

We are committed to total customer satisfaction. If you are looking for a trusted partner in the precious metals industry — look no further. Whether you are currently working with another precious metals company, or are a first-time buyer, each and every member on our staff offers their own unique brand of personal service to exceed your expectations. GMRgold provides the most up-to-date resources, information and rare coin counsel you will ever need to achieve your long-term financial goals.

GMR makes buying and selling precious metals easy and enjoyable by providing the best in:

- **Selection** - We offer a greater and more diverse selection of precious metals than any of our competitors. If you don't find what you're looking for on our site, we would be happy to get it for you!
- **Service** - Unlike other online gold and silver dealers, we are not trying to merely sell you commodities and end our contact with you. We know that the market is always changing, and we are here to answer your questions and advise you every step of the way.
- **Education** - We take pride in our ability to educate our customers before they choose which metals to purchase. In addition to our variety of online articles, and weekly newsletter, we have written several ebooks that we offer FREE of charge.

The Gold American Eagle coin has warmed the hearts of coin collectors since it was first minted in 1986, and the obverse design has been a part of the American tradition for even longer.

This official U.S. gold bullion coin has proven a stable and often profitable investment for those who are most interested in its gold content. Its .9167 purity makes it a durable coin that can remain in the condition it was received in for many, many years to come. It is backed by the U.S. government for weight and purity, inspiring confidence in investors and buyers. The Gold American Eagle is one of the best coins to purchase, and now is an ideal time to buy it.

YOUR INVESTMENT OPTIONS

1. If you have started a collection with primarily silver coins, now is the perfect time to add a beautiful Gold American Eagle.
2. Compare the numbers of coins issued in each year and choose years when fewer were produced. These are likely to increase in value faster than other Gold American Eagles.
3. Consider setting aside Gold American Eagles in your precious metals portfolio. They are approved for PM IRAs, so they offer a great tool for saving for retirement.
4. Contact our GMRgold precious metals investment experts at (877) 795-9585 to discuss your goals and the best ways to achieve them. Whether your focus is on investing or numismatic collecting, we are here to answer your questions.
