

CHRIS KYLE FROG FOUNDATION

Silver Coins and Bars

Honoring God, Country, and Families Who Serve by providing experiences that strengthen military and first responder marriages and families.

All too often, the family support network of those serving our country – either on the military frontline or as first responders – can be overlooked or forgotten. The pressures that are a natural outcome of this dangerous and stressful work can often result in damaged relationships that fracture the family unit creating additional stressors on those who serve as well as the family members that support that service.

Founded by Taya Kyle, the Chris Kyle Frog Foundation (CKFF) was established to create a legacy of service that honors her husband, American Sniper, Chris Kyle. The mission of the Chris Kyle Frog Foundation is to Honor God, Country, and Families Who Serve by providing experiences that strengthen military and first responder marriages and families.

GMRgold is proud to partner with CKFF to offer a selection of collectible Silver coins and bars. Proceeds from these coins will go to CKFF, allowing buyers an easy way to support Chris and Taya Kyle's cause.

A popular coin in the series is the 1 oz. Chris Kyle Frog Foundation Collectible coin. The obverse of this coin features the Bonefrog motif, a symbol recognizing the sacrifices of Navy SEALs killed in action. Above and below are the words "Chris Kyle Foundation." The reverse's image of the American flag shows "Chris Kyle" above and the 1 oz. weight and .999 purity of the Silver coin below it. The coin comes in a card showing images of Chris and a message from Taya.
