

AUSTRALIAN KANGAROO

1OZ GOLD - .BRILLIANT UNCIRCULATED - 2016

COLLECTIBLE BULLION

The Australia Gold Kangaroo is one of a group of coins known as the Gold Nugget Series. The coin interests both collectors and investors around the world. Collectors admire its unique design, as well as the fact that the coin has featured a new illustration of the kangaroo every year since 1990. As a bullion coin, the Gold Kangaroo also rates high with investors for its .9999 purity and its eligibility for inclusion in a Precious Metals IRA.

When Perth Mint introduced the Gold Nugget series in 1986, it had been 135 years since gold was first discovered in Australia by a prospector named Edward Hargraves. After Hargraves' 1951 discovery, the Australian gold rushes began. The discovery of gold quickly changed the country's culture and national identity. Gold had a tremendous effect on the fortunes of Australia, ending the transport of prisoners to its east coast and eventually to all of Australia.

This series featured a gold nugget on its reverse from 1986 to 1989, when the nugget was replaced with its yearly rendition of different Australian kangaroos. Since the kangaroo is a more familiar symbol of Australia, the coin gained momentum as an investment and a collectible coin. The face value of the coin is \$100, but its value is based on the currently much higher spot price of gold. Because gold bullion tends to retain its value and gain over the years, it is likely that its value will only increase.

GOLD AUSTRALIAN KANGAROO

The 2016 Australia 1 oz. Gold Kangaroo is a favorite among collectors. Because Perth Mint only strikes a limited number of this gold coin, its value will likely increase more than many other 1 oz. gold coins.

UNIVERSAL CUSTOMER PLEDGE

Earning and keeping your business is the number one goal and priority at GMRgold.

We are committed to total customer satisfaction. If you are looking for a trusted partner in the precious metals industry — look no further. Whether you are currently working with another precious metals company, or are a first-time buyer, each and every member on our staff offers their own unique brand of personal service to exceed your expectations. GMRgold provides the most up-to-date resources, information and rare coin counsel you will ever need to achieve your long-term financial goals.

GMR makes buying and selling precious metals easy and enjoyable by providing the best in:

- **Selection** - We offer a greater and more diverse selection of precious metals than any of our competitors. If you don't find what you're looking for on our site, we would be happy to get it for you!
- **Service** - Unlike other online gold and silver dealers, we are not trying to merely sell you commodities and end our contact with you. We know that the market is always changing, and we are here to answer your questions and advise you every step of the way.
- **Education** - We take pride in our ability to educate our customers before they choose which metals to purchase. In addition to our variety of online articles, and weekly newsletter, we have written several ebooks that we offer FREE of charge.

The reverse of the 2016 Gold Kangaroo features a fascinating take on Australia's national symbol. A detailed kangaroo in the foreground sits on its haunches, looking back at another kangaroo in silhouette in the background. An image of Queen Elizabeth II shows on the obverse. The 1 troy oz. weight fits well into nearly every portfolio, whether large or small. New investors can rely on the Gold Kangaroo's purity and gold content, as it comes from the highly-respected Perth Mint.

Buying a 2016 Gold Kangaroo means you know the year mark of the coin you will receive. For collectors, this knowledge can mean the difference between filling out a collection and adding redundancy. For investors, the 2016 date as well as the Brilliant Uncirculated grade means that the gold is in peak

INVESTMENT INFO

1. Start or add to a collection of Gold Kangaroos with this 1 oz. coin as a random year selection.
2. If you don't have a Precious Metals IRA yet, start now by opening an IRA, funding it and filling it with bullion coins and bars, beginning with the Gold Kangaroo
3. Discuss more gold investment opportunities with GMRgold precious metals experts by calling (877) 795-9585.
